

Message from the Mayor

It is my pleasure to extend greetings and a warm welcome to everyone attending the World Federation of Pediatric Intensive and Critical Care Societies.

Combining their international expertise through fostering, learning and collaboration in the care they provide, the World Federation of Pediatric Intensive and Critical Care Societies is dedicated to providing care for children with critical illnesses and their families.

This year's conference will be an opportunity for attendees to meet, explore new perspectives and discuss matters of mutual interest in a setting designed for professional development.

I wish to welcome everyone to our city and encourage you to enjoy Toronto at this time of year as well as learn about our vibrant neighbourhoods.

On behalf of Toronto City Council, please accept my best wishes for an informative and enjoyable conference.

Yours truly,

Mayor John Tory
City of Toronto
